

Cape Ann Marina LLC
HAUL REQUEST 2016-2017

Marina Service Center (978) 283-0806
75 Essex Avenue - Gloucester, MA 01930
www.CapeAnnMarina.com

To speed our hauling operation and to prevent damage to your boat, we would like you to mark the shaft location. **Use black tape on your port and starboard rails, where the shaft comes through the hull.** This will insure proper strap location when we haul _____(initial)

Boat Name:		L.O.A	Power or Sail

Company Doing Work (circle): <i>Cape Ann Marine</i> Outside Contractor: _____ Owner Date Starting: _____			

Additional Comments and Notes:

Cape Ann Marina or Cape Ann Marine Sales & Service are not liable for damage to spray rails, bilge keels, transducers, through-hull fittings, roll dampening components or any similar hull protuberances while hauling and/or launching. The vessel owner is responsible for providing any special equipment required for the protection of those hull components during the aforementioned operations. _____ (initial)

OWNER'S RESPONSIBILITY – All boat heads and holding tanks MUST be pumped out at Fuel Dock prior to haul or arrival. The rate is \$100.00/hour/per man if done by us. NO HAULING without signed Agreement & Rules, payment/deposit and "Certificate of Insurance", following the instructions as indicated on our Insurance Requirements Form.

Daily dockage rates will apply if you arrive early, arrive without prior confirmation with the Dockmaster office and/or if the boat is on the dock (not ready to haul) for more than 48 hours. As we do not haul on Saturdays or Sundays, customers arriving Wednesday, Thursday or Friday will need to be ready/scheduled to haul by Friday to avoid dockage fees. DINGHY HANDLING and STORAGE upon request, different rates apply.
